

Calendar Lines Up Magic 7-7-77 For Superstitious

By KEANETHE LUBAR
United Press International

Several men of a seventh day... will be turning to 7-7-77 on the seventh day of next week. Several other men... will be turning to 7-7-77 on the seventh day of next week. Seven years... seven wonders of the world... seven girls.

In all the lore of the Western world, no number is more auspicious... for good... had only once in a century... the calendar line up the magic date to stir superstitious hearts, 7-7-77.

Today is July 7, 1977 — with 177 days remaining in the year. Gamblers, always passionate in their pursuit of a lucky luck, should have a field day.

"I've heard people discussing their plans already," said Rose Danon, 63, of a man in a red hat. "They're going to come to the seventh race. I bet them hard probably come in seventh."

Children, a program, said to be little faith in superstitions. Burtine last minute scratches, however, for those who are faithful, their services have been booked up a year in advance by couples who want the best luck of the seventh night of the seventh month of the auspicious month.

In Europe, German and Austrian registrars, said they will make an extra shift to handle the entries in a matter of days.

A spokesman for the city of Bonn, West Germany, said that many couples were to be married in the city on the 7th as normally are on a few weeks.

Other German registrars outside the town, said some added that their services have been booked up a year in advance by couples who want the best luck of the seventh night of the seventh month of the auspicious month.

Post offices of Switzerland and Germany, said they will make an extra shift to handle the entries in a matter of days.

In Madison, Conn., Steven Mason, who lives at 72 Deepwood Drive, is the luckiest kid in the block.

He turned seven today. But even Steven will have to go some to get the baby boy born today to an Adelaide, Australia, woman — on the seventh night of the seventh hour of the seventh day of the seventh month of the seventh year.

The baby, which mysteriously arrived seven days late, weighed 7 pounds 7 ounces. Women asking their physicians to deliver delivery so that their babies' birthdays will be 7-7-77.

Seven Is Not Always Lucky

By MARI CHARNEY
Associated Press

NEW YORK (AP) — Today, July 7, 1977. If you put your name in numbers and share the belief that seven is a lucky one, you might think this is your best bet. But it may be your worst.

As reported in the New York Times of July 6, 1977, here are some of the things that happened on the day 7-7-77 — 70 years ago.

More than 700 laborers died were drowned by the New York City great flood, not even the rain before it started. The flood later hit New York in the night. There was no excitement in the night. The Times said: "The flood was back again, but it was not so bad as the first one." The flood was back again, but it was not so bad as the first one. The flood was back again, but it was not so bad as the first one.

At 7:00 a.m., a fire broke out in a tenement house at 102 E. 11th St., New York City. The fire was caused by a gas leak in the kitchen. The fire spread quickly, and the building was destroyed. Operations Continue Strikers Picket Marathon Plant

By CLAYTON SCHUBERT
United Press International

Strikers of the United Brotherhood of Carpenters and Joiners of America, Local 943, struck the Marathon Petroleum Co. plant at Brownsville today. The strike was in support of a contract proposal for new workers, but also to protest the company's decision to close its plant in Brownsville.

The union announced that it would picket the plant until a new contract is reached. The union also announced that it would picket the plant until a new contract is reached.
